Online Course Development Process

1. Course design
2. Development and implementation
3. Course delivery

Phase 1 - Course Design

“There’s no need to start from scratch to teach online. You can apply what you already know and add to it by using new tools and techniques adapted for the online environment.”

Is It the Wave of the Future?

Phase 1 - Course Design

“Putting your class online doesn’t mean copying your lectures and syllabus word for word.”

~ *Teaching Online A Practical Guide*, Susan Ko and Steve Rossen

Phase 1 - Course Design

“Techies” don’t necessarily make the best online instructors. An interest in pedagogy should come first, technology second.”

~ *Teaching Online A Practical Guide*, Susan Ko and Steve Rossen

Phase 1 – Course Design

“Whatever kind of participation you expect in your course, you should make it explicit in the syllabus.”
